Accelerated Student Information Sheet

Be sure to advise us if your child has a Rockwern, Camp Ramah or other day school background OR if s/he learns at a level above that of their classmates. We strive to make accommodations for students who might benefit from enrichment to make the Religious School experience meaningful.

Anything you share about your child will be kept confidential and will help us improve the learning experience for all. You may write something on this page or schedule a meeting with Sharon Wasserberg to discuss your child's specific needs.

Thank you for your input.
